A Message from the Thorsmen

We realize that this Sangerfest is a bit more expensive than in years' past. The hotel and catering industry have felt the impact of our current economy, and their prices have been adjusted to make up for it. Hotels that provide catering services and meeting rooms are in limited supply in Salem. Sangerfest 2023 has been modified to a two-day event in order to reduce the financial impact to our members.

We ask for your understanding and hope that you join us for a weekend of fun, fellowship, food and fantastic music!

Med sangerhilsen,

The Salem Thorsmen
