

NORMANNA

MALE CHORUS OF TACOMA

Sangerfest is the annual gathering of the Pacific Coast Norwegian Singers. This year, Normanna Male Chorus of Tacoma will be hosting the 115th such gathering. We began in 1888, before Washington was a state, and have been active in our community ever since, promoting Scandinavian culture in song and story.

The highlight of Sangerfest is a concert of 8 male choruses in magnificent voice plus special guest musicians. Join us at **St. Luke's Lutheran Church, Federal Way, Saturday June 29th at 4PM.**

The souvenir brochure features pictures and information about the performance and our heritage as well as information about local organizations, such as yours. This event is widely promoted, and the souvenir brochure will be read by far more than people expected to attend the concert.

Please consider a modest donation to help us print the brochure and to help you reach an audience with a keen interest in what you offer.
